RUMOR says there is soon to be a 'gentle  
fina' ball in Tucson.

THE teams of Mr. Peck and others ar-  
rived, last Saturday, with goods from San  
Diego, for Lord & Williams, Jacobs & Co.  
and Frank S. Alling.

JUDGE C. A. TWEED left Tucson Thurs-  
day for California, intending to return with  
his wife for a permanent residence in Ariz-  
ona.

A. LEVIN, the excellent beer manufactur-  
er of Tucson, is preparing to start an es-  
tablishment in the Gila settlements, prob-  
ably at Adamsville.

J. M. AINSA's train, loaded with govern-  
ment supplies, left Tucson last Tuesday  
for Infantry Camp. Col. Lee went along  
on government business; and Col. J. H.  
Toole, post trader there, also left that day  
for same destination.

COL. LEWIS, well known in Arizona, now  
resident of San Diego, we learn by a letter  
of Jan. 27th, is near death; that he could  
not then speak, and his friends had no hope  
of his recovery.

THOS. W. JONES, arrested on suspicion of  
having attempted to poison all hands at  
Gila Bend, was brought before Justice  
Meyers last Saturday, waived an examina-  
tion, and was sent to jail to await the grand  
jury.

LAST week we suggested that Wells,  
Fargo & Co. would do well to extend their  
business to Tucson, and this hint we pre-  
sume induced the circulation of a petition  
asking the company to establish an office  
here.

TOWNSHIPS 13 and 14 S. of range 13 E. have  
been sectionized, and ere long the plats  
will be completed for the proper offices.  
Tucson is on sections 12 and 13 of town-  
ship 14. Would it not be well for real  
estate owners in this town to move in the  
matter of getting government titles to their  
lots?

A few days since in Tucson, a human  
brute knocked an eye out of a mule. The  
mule was much the better behaved beast  
of the two. If there be a law of Arizona  
against cruel treatment to animals, it  
should be enforced, and if there be none,  
the passage of one could do no harm.

REDUCED FARES.—Discharged soldiers  
will be carried by Capron's line from Tuc-  
son to Ft. Yuma for \$30, and all the way to  
San Diego for \$70 in currency. This is  
quite a reduction from regular rates, and  
none but discharged soldiers can have pas-  
sage at the prices named.

SUPREME COURT.—A full bench of this  
tribunal convened last Saturday, as per ad-  
jourment. The only business transacted  
was the admission of Judge Harley H. Car-  
ter to practice therein, and adjourned until  
Wednesday of this week. At last meeting  
some amendment was made to the rules,  
when the court adjourned sine die.

GOOD LIVING suits everybody, and it's  
some advantage to know where it can be  
obtained, and the object of this is to say  
that the place is at Frank S. Alling's Dining  
Hall—sign of "Shoo Fly." Last Saturday  
Mr. Alling received, direct from California,  
a great variety of rare edibles in this mar-  
ket. Buckwheat flour, corn meal, fish,  
honey, fruits, &c., &c. His table is most  
liberally provided with the best prepared  
food.

THE 'boys in blue,' at Camp Bowie, are  
a jovial set, judging from a programme of  
songs, dances and laughable farces received  
and which were performed Jan. 18. They  
style the entertainment 'Bowie Varieties,'  
and was very likely quite enjoyable. The  
boys undoubtedly go on the principle that  
there is much fun in life, if it be looked up  
and cooked up. Jollity is obtained in much  
the same way as food and raiment, by  
method and labor.

WE are indebted to Mrs. John G. Capron  
(her husband acting as agent) for a supply  
of California fruit—apples and grapes. The  
former were well preserved and the grapes  
too much so, unless we call them raisins;  
the substitute then would be preferable.

Most every sort of fruit will (some day)  
grow in Arizona as well as in California, but  
every enterprise of a permanent nature  
hinges on the eternal 'Indian question.' It  
is said, however, that a certain man once  
had a graper in fine bearing condition ad-  
jacent to town, but deliberately and vandali-  
cally, because the youngsters (perfectly nat-  
ural) couldn't wait for the fruit to ripen,  
pulled the vines out of the ground. It  
is rightly believed that if the Apache don't  
sooner or later settle the hash of such a  
human dog-in-the-manger, the devil will—  
which is all the same on 'the 32d parallel.'

SHOOTING ON THE GILA.—Dr. Wilbur  
received a call on Thursday to repair to the  
Gila to repair the damage done to A. Gon-  
zales, who was shot in the groin by Frank  
Griffin. The wound will probably prove  
fatal.

P. S. Just as we go to press, Mr. Archi-  
bald kindly handed us a letter from D. C.  
Thompson, showing that Jan. 31 he started  
a 4-mule team for hay, 15 miles distant.  
At nearly sun-set, the Apaches jumped  
three men cutting hay and loading the  
wagon, one man receiving a mortal wound  
—one white man and Papago escaping un-  
hurt. Upon getting this report, Mr. Thomp-  
son raised a party of 12 men who went in  
pursuit. When 20 miles, Gonzales, above-  
mentioned, being under the influence of  
liquor become separated, and on his ap-  
proach to the party, he was hailed several  
times, but failed to respond, leading to the  
belief that he was an Apache, and was shot  
as above stated. Mr. Thompson says the  
whole party justify Griffin.

JUDGE ISHAM REAVIS elegantly celebra-  
ted his birthday which fell upon last Sat-  
urday. In the evening, at the rooms of the  
Yuma delegation, the Governor, Supreme  
Judges, nearly every member of both  
branches of the Legislature, and others  
assembled upon invitation to assist the  
Judge in this pleasant exercise. A lunch  
was spread and bottles of champagne "too  
numerous to mention" were opened, and  
the eating and drinking were interspersed  
with many good wishes by all for all, and a  
number of responses made which elsewhere  
would have been termed speeches. The  
occasion was a joyous one to host and  
guests, and none made any attempt to re-  
press his feelings. Probably there were not  
one present who would not like to assist  
the Judge in many more birthday fetes.

THE Eastern mail is doing good service  
between here and Santa Fé, as the papers  
from that city have reached here regularly  
three times a week for a couple of weeks.  
We had some little growls at J. F. Bennett  
& Co. a few weeks ago, but if the present  
state of efficiency continues, there will be  
no occasion to repeat them.

But what is the matter beyond Santa Fé?  
We don't get through Eastern mail one-half  
the time.

ONE GOOD INDIAN.—Last Monday night,  
three Indians attempted to steal the horses  
of Señor Rafael at the San Pedro ranches,  
but they were seasonably discovered and  
one instantly killed, and from blood on the  
trail of those escaped, another is surely  
wounded. Mr. Duncan writes this news to  
Hon. W. L. Fowler, and adds his opinion  
that the rascals are Goodwin Indians. Such  
receptions at ranches will have good effect.

W. O. SULLIVAN celebrated his nuptials  
on Thursday night, by a gay dance and a  
truly generous feast of the best edibles and  
drinkables. If the beginning of his wedded  
life be an index to the regular every day  
future of it, he will exist happily and fare  
plentifully, and being a good man, he de-  
serves 'all that sort o' thing.'

THE driver of Thursday's eastern mail  
brought word that early this week, a party  
of three men and one woman were attack-  
ed by Indians just this side of Apache Pass,  
resulting in the loss of their stock but no  
injury to their persons. From every direc-  
tion that news can be received, Apache de-  
predations are reported.

RAIN commenced to fall during Thurs-  
day night, and continued up till late yes-  
terday morning. The dust was well laid  
and some mud resulted in places. The  
adjacent mountains were clad in a slight  
cover of snow, and a white frost was pres-  
ent all round this morning.

APACHES ABOUT.—On Wednesday night  
last, a party of Apaches (twenty to thirty)  
attempted to steal stock on the southern  
suburb of Tucson. The next day a small  
party passed west between town and the  
nine-mile watering-place. The Papagoes  
say they followed this band out into the  
hills—saw them there.

THE mail from Wickenburg arrived this  
morning as usual, but not anything came  
from Prescott—not even the mail from  
there due here one week ago. This latter  
is understood to have been sent through to  
California.

WHAT'S THE MATTER?—On Thursday  
we saw a letter dated at San Diego Jan. 27,  
showing conclusively that the stages con-  
nected clear through that trip, yet no regu-  
lar mail came through from beyond Ariz-  
ona City. Oversight or neglect somewhere.

FRANK LARKIN, of Sweetwater, and Sam  
B. Wise, of Adamsville vicinity, were in  
town during the week. Mr. Wise reported  
that J. D. Walker, member elect to the  
House, had been unwell, but had so far re-  
covered that he hoped to be able to take  
his seat about this time.

GETTING READY.—Mr. Guion, division  
agent of Capron's line, is busy fixing for  
the tri-weekly mail. Point-of-Mountain  
station is to be abandoned, and quite an  
important one established at the Nine-Mile  
crossing north of town.

THE sentence of Anthony Dorman is ex-  
pected to be executed next Friday. Prepa-  
rations therefor are making, and there  
seems in this instance no escape from the  
jury's verdict and the Court's sentence.

CAPT. C. E. MOWRY and Geo. H. Cooler  
arrived from Sonora to-day. Regarding the  
Mission Camp murders, we shall have an  
item again of length, we expect, next week.

DEPARTED.—By Thursday's stage, C. W.  
C. Rowell, U. S. Attorney, and John G.  
Capron, Esq., left for Yuma and San Diego.

'BOURBON AMONG US.'—While the  
world is topsy-turvy on the downfall  
and creation of empires; with crown-  
ed heads made to order with places to  
put 'em,—a genuine issue of the house  
of 'Bourbon' was thrust upon THE  
CITIZEN. This 'coup-d'etat' on the  
part of E. N. Fish & Co. occurred yes-

cept the situation accordingly. True

PROCLAMATION  
—BY—  
THE GOVERNOR.

To All Whom It May Concern:  
WHEREAS, IT HAVING BEEN MADE  
known to me that Charles Reidt,  
James Lytle and Thomas Oliver were mur-  
dered at Mission Station, in the Territory  
of Arizona, on the 24th day of December,  
A. D. 1870, by PEDRO PINTO, TOMAS  
SANCHEZ and JESUS ORTEGA, all Mexi-  
cans by birth; and whereas, This is the  
third act of a similar kind that has been  
perpetrated near this locality within the  
past few years by a desperate class of men  
who, upon the commission of said crimes,  
flee to Sonora, in Mexico, for safety; and  
whereas, The safety of the lives and prop-  
erty of the Citizens of the Territory im-  
peratively requires that these outlaws shall  
be brought to justice and punishment;

Now, therefore, I, A. P. K. SAFFORD,  
Governor of the Territory of Arizona,  
hereby offer a REWARD OF ONE THOU-  
SAND DOLLARS (\$1,000 00), for the ap-  
prehension and delivery of the aforesaid  
Criminals to the proper judicial tribunal  
of the Territory, or ONE-THIRD OF SAID  
SUM FOR THE DELIVERY OF EITHER.  
Given under my hand and the Great  
Seal of the Territory, this 29th day  
of December, A. D. 1870.  
A. P. K. SAFFORD.

COLLES BASHFORD, Secretary of the Ter-  
ritory of Arizona. 131f

YOU ARE HEREBY SUMMONED AND

District of the Territory of Arizona, and  
to answer the complaint therein, filed in  
the office of the Clerk of said Court at Tuc-

certain mortgage described in the said

ment of the sum of Nine Thousand Dollars  
in gold coin with the interest thereon, pay-  
able as follows, to wit: Three thousand  
dollars in gold coin, payable six months  
after the date of said mortgage, with inter-  
est at the rate of two per cent. per month,  
payable monthly, from the 25th day of Janu-  
ary, A. D. 1868, and interest thereon;  
Three thousand dollars in gold coin, pay-  
able in nine months from the date of said  
mortgage, with interest thereon, at the rate
